Emergency Exit Plan

- Review the Emergency Plan prior to an Emergency

- In case of fire use stairs for exit. Do not use elevator

- Quickly move to the outside of the building using the nearest door marked with an EXIT sign

- Be certain all persons in the area are evacuated immediately

- Help those who need special assistance- disabled, small children, etc…

- Report immediately to the designated assembly area (see map) to do a headcount

- Do not reenter the building and wait for instructions from emergency response personnel

Calmly state:

- Your name

- Building and room location of emergency

- Nature of the emergency: fire, chemical spill, etc.

- Injuries?

- Hazards present which may affect responding emergency personnel

- A phone number near the scene where you can be reached

Fire Procedures Fire Alarm: Bell/Horn with flashing light

- Pull the fire alarm and call Campus Police at **858.534.4357** or **911**

- Alert people in the area to evacuate

- Close door to confine the fire

In case of small fire

- IF YOU HAVE BEEN TRAINED to use a fire extinguisher, while keeping an exit behind you, position yourself within six feet of the fire

- Pull the pin located in the extinguishers handle, aim the nozzle at the base of the fire, squeeze the handle and sweep from side to side at the base of the fire until it is out
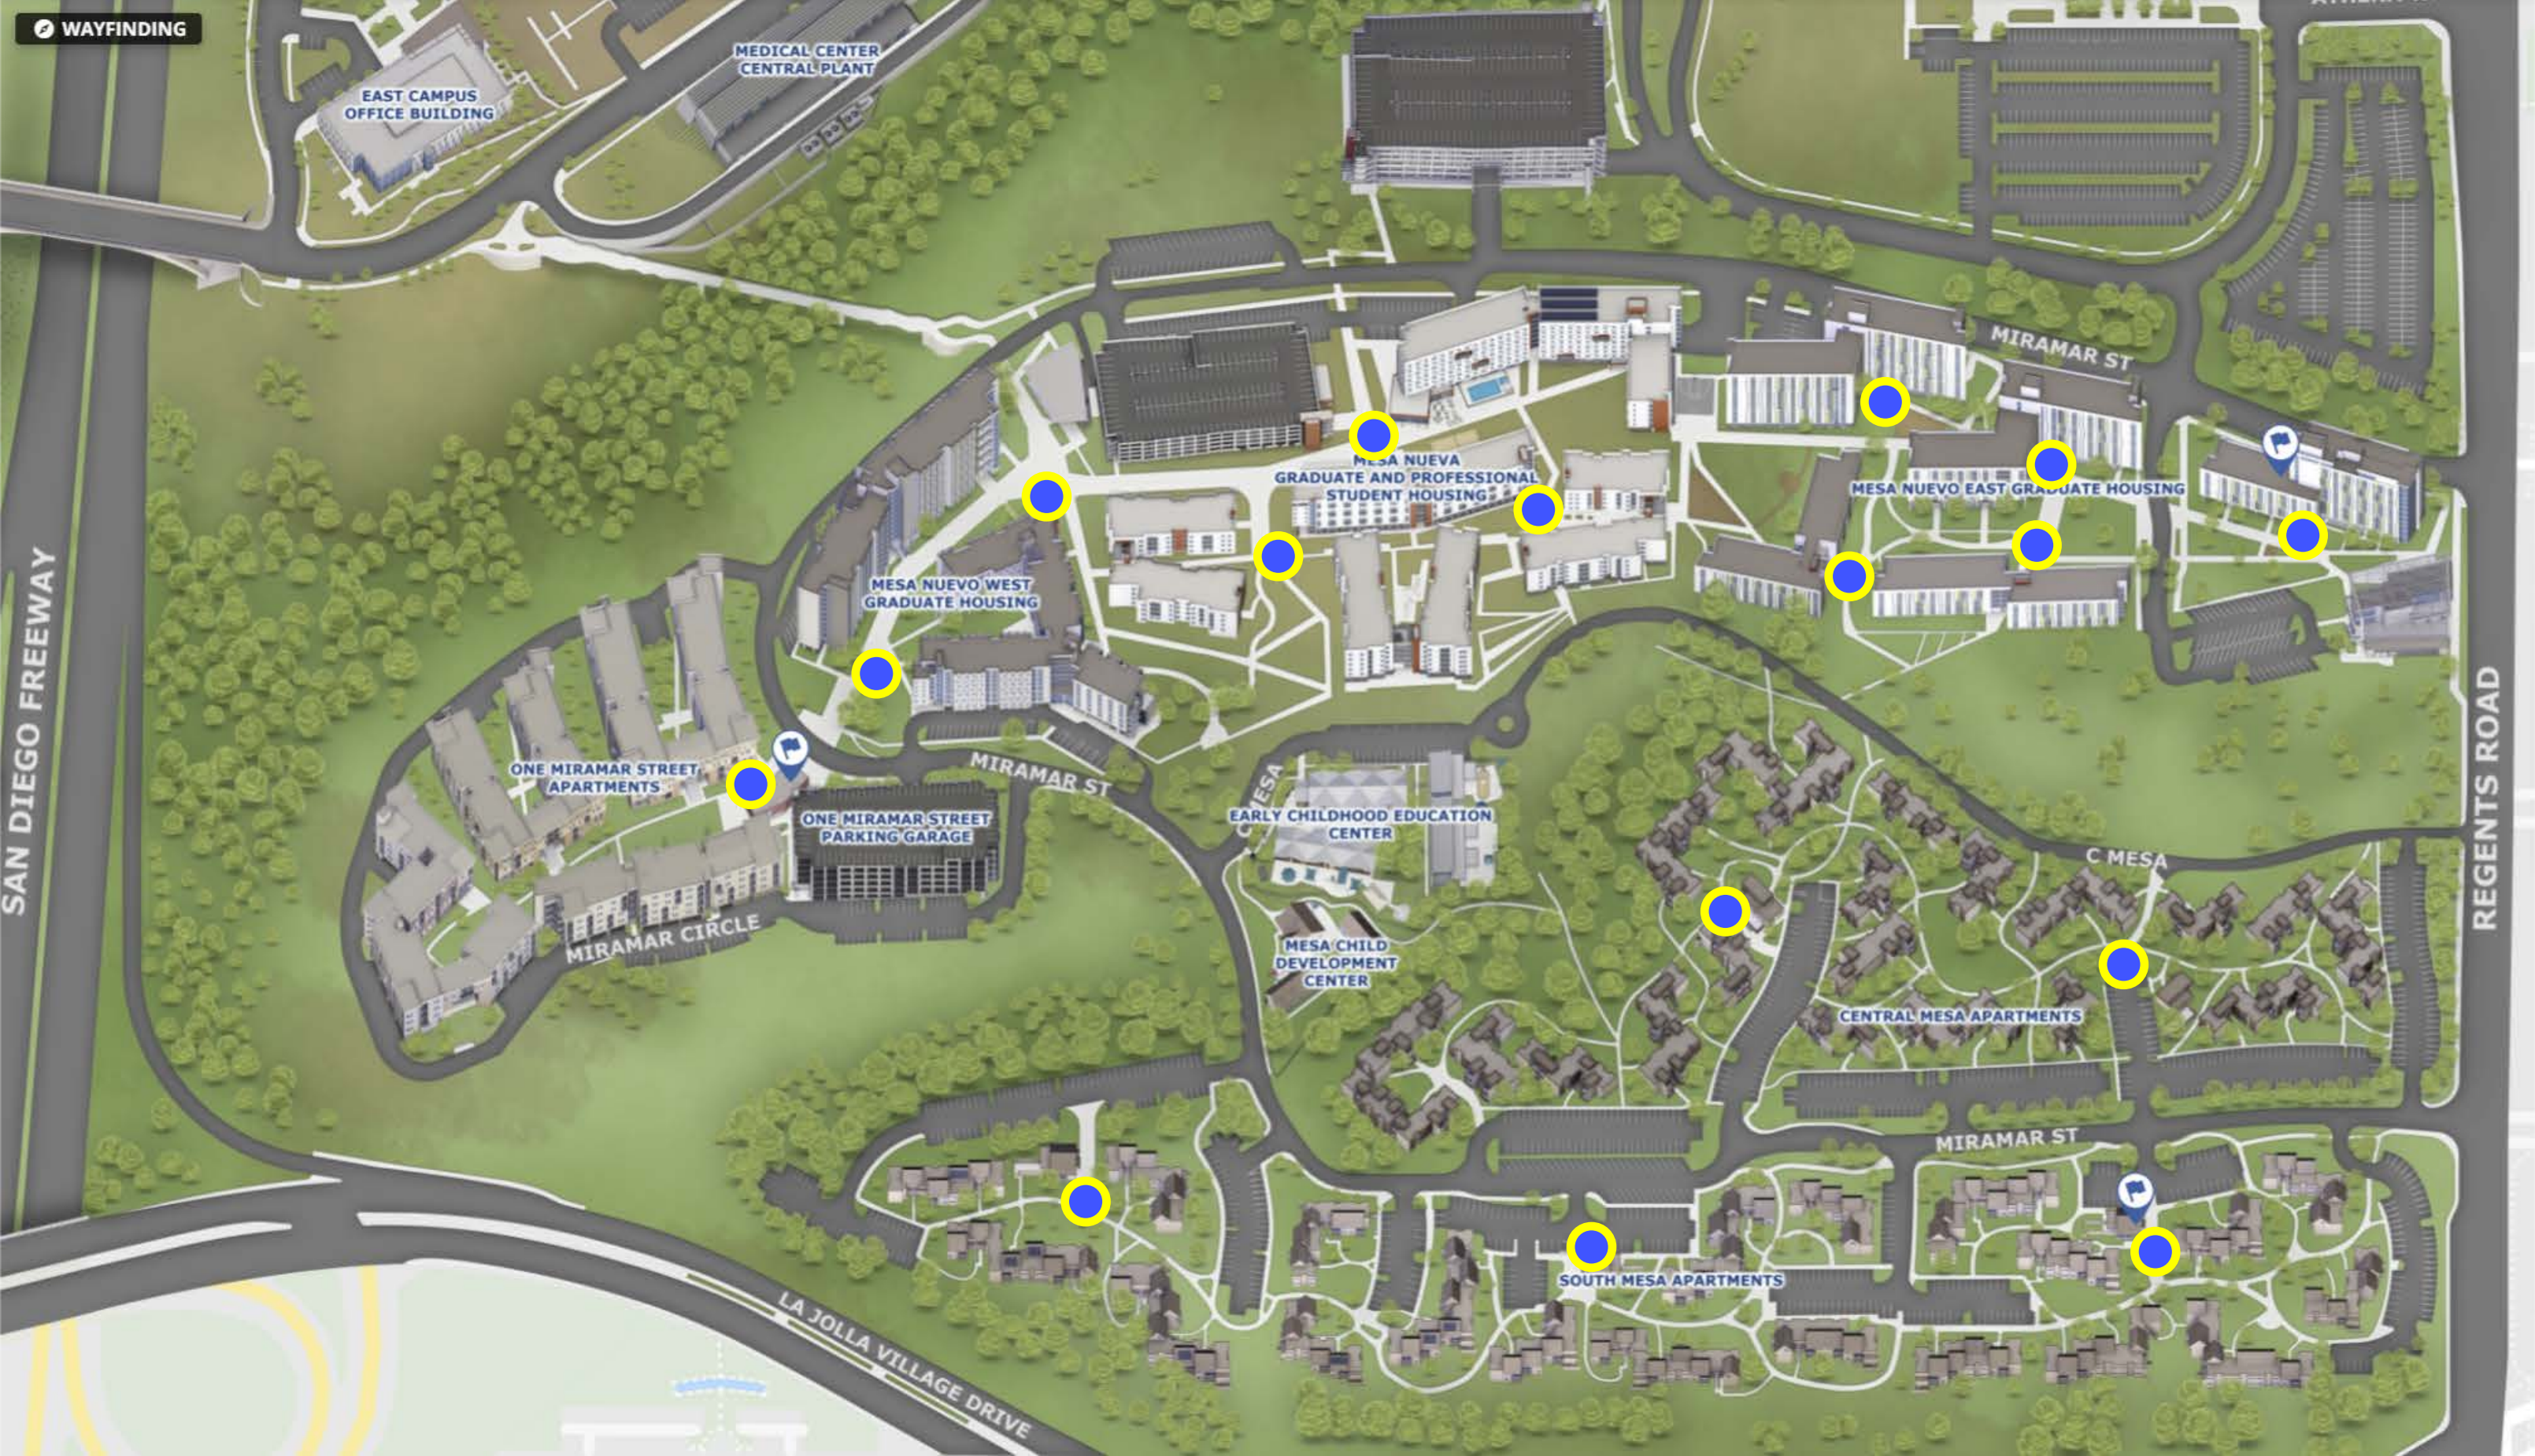

Evacuation maps may not be removed or altered. Take time to familiarize yourself with the evacuation plan for your residence. It is each resident's responsibility to evacuate to designated assembly areas when the fire alarm sounds. Failure to evacuate immediately is dangerous and a violation of the California Fire Code.

Fire alarm testing and evacuation drills are conducted annually.

Have persons knowledgeable about the incident and location assist emergency personnel.
