

# CLOTHING SWAP

**August 25th | 6pm - 8pm**

**Nuevo East Grill Area**

RSVP here!

Need some new clothes for the upcoming school year but want to be sustainable and save some money? The clothing swap is the place for you! Feel free to use this opportunity to clean out your closet and donate some old clothing items as well as picking up something new - all for free! Come donate, grab clothes, or both, no requirements necessary and no limits on items! **Pizza and refreshments will be provided to snack while you shop, while supplies last.** This program is made possible with the help of UCSD EcoNauts. Children and adult clothing both welcome.

*No undergarments, bathing suits, or non-clothing items will be accepted. UCSD does not warranty any goods or accept liability, and residents must inspect garments for cleanliness/safety before exchanging.*

Brought to you by your OMS & Coast CAs, Brianna and Austin.
